

QUESTIONS EVERY HOMEOWNER NEEDS TO ASK THEIR WATER EXPERT

Are the water systems certified by a third party organization? If so, by whom?

Do you have a business license and liability insurance?

How long have you been in business and do you have a list of referrals or reviews I can access?

What do my water testing results show?

Will the recommended water system treat enough water to accommodate my family's needs?

What is the total purchase price, and how much more can I expect to pay to maintain the system every year?

Will you provide free follow-up water testing a few months after installation to ensure that the equipment is doing its job?

What is the lifespan of your water system?

Will I get notified when service is due for my system?

Does my equipment come with Warranty and can you provide me with the literature on the coverage?

I don't want to have to worry about my system's performance. Do you have a maintenance program?
