## OPTION #2: Quality Assurance (\$110.00 + Tax per month\*)

### INCLUDES OPTION #1 ROUTE MAINTENANCE OUTLINED ABOVE

### INCLUDES REPLENISHMENTS:

- 💧 Tank cleaning (average \$215, annually)
- 💧 Calcite re-nourishment (average \$235, annually)
- 💧 SG Filter sanitized (average \$50 annually)
- 💧 Carbon re-bedding (average \$685, as needed)
- 💧 Membrane replaced (average \$850, as needed)

### INCLUDES REPAIR/REPLACEMENT:

Full coverage providing all parts and labor necessary to essentially extend the original manufacturer's warranty and covers replacement or repair of any malfunctioning equipment listed on the agreement form. Technicians respond for emergency service 7 days per week until 9:00 pm at no additional charge.

### EXCLUDES:

This service does not include consumable items such as, but not limited to, salt, chlorine, citric acid and cartridges unless listed as specifically covered on the agreement form. Nor labor/ parts to diagnose or correct damage due to: well malfunctions (sand/mud production or turbidity); abuse, misuse or neglect; excessive water temperature over 120 degrees; freezing, lightning, hurricane, flood or other acts of nature; changes in raw water quality; alterations or relocation of equipment.

This service does not include the UV light repair or annual bulb replacement (this coverage is an additional \$15 per month).

The program does not include the well, well pump, well pressure tank or other related equipment even if it is purchased as part of the system unless it is specified on the agreement form at an additional cost.

**BONUS:** Prepay for 12 months of Quality Assurance & get the 13th month at no additional charge.

Contact our office staff to activate your program or to get answers to any questions you may have.
